

Dharmesh - Joined IVAVSYS as Tester, currently Testing Finance Application for an Automobile giant

Journey of Thousand Miles starts with a single step..

"I have completed Manual Testing course from Varcos Training Institute. I would like to Thank VJ sir from bottom of my heart for all the in-depth training provided. VJ sir has got unique style of teaching which made the key concepts easy to understand. VJ sir has got huge industry experience which helped me with his lot of real life examples.

Lot of assignments ensured that I consolidate my understanding and practice the learned concepts. I once again Thank Varcos and VJ sir for the fantastic training experience which I would like to cherish for long."
